Texas Council Pooled Resource Initiatives

For information on the following pooled resource initiatives, contact the Texas Council office at 512/794-9268 or the individual administrators as noted below.

FACILITIES ACQUISITION PROGRAM

This program is a financing tool offered each year to all members of the Texas Council. The program allows centers to combine their financing requirements and issue low-cost, tax-exempt municipal bonds to provide money needed for expansion.

Proceeds from the bond sale can be used by the centers to construct new facilities, purchase existing facilities, refinance high-rate loans, renovate facilities, or purchase major equipment.

For more information on the Texas Council Facilities Acquisition Program, contact Fred R. Cornwall at Municipal Capital Markets Group, 972/386-0200.

TEXAS COUNCIL RETIREMENT PROGRAM

This retirement program is available to all member centers that elect to participate. The program offers unique retirement plans which are custom designed and offer the largest variety of investment options available in the marketplace today.

The plans are low in cost, yet high in performance and service. Employees who move from one participating center to another may also transfer their retirement benefits.

For more information on the Texas Council Retirement Program, contact Terry Hill at ISC Group Inc., 214/520-1115.

This program offers centers a full service insurance option. The Fund’s objectives are to provide long-term stability in coverage, attain lower costs, develop improved risk management practices, and allow members more control over their management of risk. The Fund provides workers compensation and comprehensive options for liability and property coverages.
